©TAITO CORP. 1990

**"EXPLOSIVE ACTION!!"**

Moon Cresta .... a three stage rocket .... a three stage threat .... a three stage challenge. First you have to fight the different waves of weird space creatures. Then you must master the docking technique. Finally, you must meet and conquer the living meteor monsters. Can you beat the high score of Moon Cresta?

## PLAY INSTRUCTIONS

- \* Insert Coin(s).
- \* Select one or two player game.
- \* Use joystick to maneuver your rocket ship.
- \* Press fire button to fire missiles.
- \* You will meet many waves of weird shaped space creatures. Each wave has a different shape and color and a different pattern of attack. Different strategies will be necessary to defeat them.
- \* Some aliens can be killed with one shot, others require two shots.
- \* Docking is very tricky but very rewarding pointwise, if you succeed. Use joystick to maneuver your falling rocket to rendezvous with the other stage of your rocket. Use fire button as "a brake."
- \* Besides scoring bonus points, success in docking will give you extra firing power.

1. First stage rocket  
—crawl out the aliens.

2. Now dock with the  
second stage rocket,  
bonus points scored.

3. Now dock with the  
third stage rocket, more  
bonus points scored.

4. All 3 rockets are  
attached, you are  
practically invincible //
